**BRIDGE DECK REPAIRS ON CONNECTICUT RIVER BRIDGE IN HINSDALE**  
**LANE RESTRICTIONS FOR TWO WEEKS ON NH ROUTE 119 BRIDGE**

The New Hampshire Department of Transportation announces bridge deck repairs are underway today to the NH Route 119 bridge over the Connecticut River between Hinsdale, New Hampshire and Brattleboro, Vermont.

This repair work will require alternating single lane traffic daily from 7:00 am to 3:30 pm. Warning signs, cones and flaggers will alert motorists and assist them through the work zone. Some delays can be expected and motorists are encouraged to use alternative routes, if possible.

This bridge repair project is expected to take two weeks to complete.
